The JOURNAL OF EDUCATIONAL MEDIA & LIBRARY SCIENCES, published by the Tamkang University Press and co-published with the Department of Information & Library Science (DILS) and Chueh Sheng Memorial Library, was formerly the **Journal of Educational Media Science** (September 1980 – June 1982) and **Bulletin of Educational Media Science** (March 1970 – June 1980). The **JOURNAL** is a quarterly, peer-reviewed publication in print and online that appears in March, June, September and December issues. The **JOURNAL** is indexed or abstracted in *Index to Chinese Periodicals*, *Chinese Electronic Periodicals Service (CEPS)*, Education Resources Information Center (ERIC), *Library & Information Sciences Abstracts (LISA)*, *Library Literature & Information Science (LLIS)*, *Public Affairs Information Services (PAIS)*, *The Chinese Educational Resources Information Centre Project (CERIC)*, *Ulrich's Periodicals Directory*, and H.W. Wilson Database.

Editorial Policy

The JOURNAL invites original manuscripts for a professional information and library audience that report empirical, historical, and philosophical research with implications for librarianship or that explore theoretical and practical aspects of the field. Peer-reviewed articles are devoted to studies regarding the field of library science, information science and IT, the book trade and publishing. Subjects on instructional technology and information communication, pertaining to librarianship are also appreciated. The **JOURNAL** encourages interdisciplinary authorship because, although library science is a distinct discipline, it is in the mainstream of information science leading to the future of **InfoLibrary**.

Guidelines for Contributors

1. The Journal is a fully peer-reviewed quarterly sponsored and published by the Tamkang University Press, Taipei, Taiwan.
2. The Editors welcome submissions of manuscripts mainly on topics related to library science, information science and technology, the book trade and publishing. The other library related fields such as instructional technology and information communication are also accepted. No contribution will be accepted which has been published elsewhere.
3. Contributions are accepted on the strict understanding that the author is responsible for the accuracy of all contents of the published materials. Publication does not necessarily imply that these are the opinions of the Editorial Board or Editors, nor does the Board of Editors accept any liability for the accuracy of such comment, report and other technical and factual information.

4. The authors of any submissions to this JOURNAL hereby agree that if any submission being accepted by the JOURNAL, the JOURNAL, Tamkang University Library and Department of Information and Library Science shall be authorized to duplicate, publicly transmit by internet, and publish by any other means for the purpose of non-profit use such as study and education etc.

5. The authors of any submissions to this JOURNAL hereby agree that if any submission being accepted by the JOURNAL, the JOURNAL shall be authorized to grant a non-exclusive license to National Central Library to collect such a submission into the Remote Electronic Access/Delivery System (READncl System), or grant sublicense to other database providers to collect such a submission into their databases, and to duplicate, publicly transmit by internet, downloaded, and printed by authorized users of those providers. In addition, the format of submissions may be changed in order to meet the requirement of each database.

6. Manuscript requirements:

(1) Submission should go through the online system, or send two printout copies of the manuscript submitted with an electronic copy in Microsoft Word file format.

(2) Regular articles should be between 10 and 25 pages (single space) in length, and for Brief report (2,500 words or less)

(3) Both Chinese (if any) and English titles should be provided.

(4) All articles should be accompanied by an abstract of 200 words. Up to six keywords should be provided.

(5) A brief autobiographical note should be supplied including full name, affiliation, and e-mail address and full international contact details.

(6) Format of citation (notes and references) is suggested to be in Chicago Style, however, the APA format remained to be acceptable.

7. It is the author's responsibility to obtain written permission to quote or reproduce material that has appeared in another publication. This includes both copyright and ownership rights, e.g. photographs, illustrations, and data.
